July 2011

Dear Friend of LADACIN Network:

LADACIN Network will be the beneficiary of the 10th Annual RAT Rock Open Charity Golf Classic on October 3, 2011 at Eagle Ridge Golf Club in Lakewood, NJ.

This is a major fundraising event for our Agency and is an opportunity to raise money, encourage community involvement and advance the Mission of the Agency. During these difficult economic times, we especially appreciate the support of the community. The Golf Classic has raised more than \$238,300 during the past nine years and will continue to be a significant financial contributor to the future plans of the Agency.

LADACIN Network, formerly Cerebral Palsy of Monmouth and Ocean Counties, is a non-profit agency that provides a variety of services and programs for infants, children and adults with cerebral palsy and other multiple physical and developmental disabilities. For almost 60 years, LADACIN Network has provided educational, therapeutic, social, residential and support services for our clients. We currently serve over 2,600 individuals and their families.

Although state funding assists the Agency in providing programs and services, it does not sufficiently fund the comprehensive services our clients need. The money raised in our Golf Classic will be used to support the programs and services that shape and change their lives. In choosing to support our Agency, you are helping first-hand to better the lives of many individuals.

Golf materials are enclosed for your convenience. All funds raised will stay in Monmouth and Ocean Counties.

Thank you for your support and consideration. If you have any questions, please call Community Relations at 732-493-5900 or email communityrelations@ladacin.org.

Sincerely,

Darrin Singleton
