

Cultivating Growth and Opportunity Annual Appeal 2014

The mission of LADACIN Network, a nonprofit Agency, is to provide a continuum of care, including educational, therapeutic, social, residential and support services to infants, children and adults with complex physical and developmental disabilities or delays.

Dear Families and Friends of LADACIN Network:

LADACIN Network is most grateful for our many caring and generous supporters. Those sustaining relationships have allowed us to grow and provide opportunity for people with disabilities for 62 years. Over the last 15 years, we have increased our capacity to serve almost seven-fold. The enrollment across our programs has increased from 500 to 3,300 individuals and we now operate 15 facilities. We continue to grow and, in response to our changing demographics and increased services, we recently revised our mission statement (above). We remain as dedicated as ever to providing hope and opportunity for people with disabilities.

That is why I am extending an invitation to you to join me in support of our Annual Appeal. Your contribution sustains the Agency as we address the complex needs of the infants, children and adults we serve.

The accompanying newsletter shows our mission in action. Participation in gardening projects allows our school students to blossom with the development of their skills and new friendships. Access to state of the art technology provides students and clients with the opportunity for personal growth. Through Access Unlimited, clients are enabled to cultivate employment opportunities. Our Residential program surrounds adults with support services and allows them to live in the community with dignity.

Gifts to the Annual Appeal provide essential funding for our vital programs and services. You make it possible for our infants, children and adults to attain their goals and realize their highest level of independence and self-sufficiency.

Sincerely,

A handwritten signature in black ink that reads "Thomas F. Hayes".

Thomas F. Hayes
President, Board of Trustees

P.S. Your generous gift to the Annual Appeal offers hope and opportunity to each individual we serve.
