The Mission of LADACIN Network

LADACIN Network is a non-profit Agency whose mission is to provide a continuum of care, including educational, therapeutic, social, residential and support services to infants, children and adults with complex physical and developmental disabilities or delays.

LADACIN Network is a network of volunteers, qualified staff, people with cerebral palsy or other physical disabilities dedicated to:

- Ensuring the rights and entitlements of persons with cerebral palsy or other physical disabilities.

- Equipping and enabling individuals with cerebral palsy or other physical disabilities to attain the fullest possible participation in an integrated community.

- Supporting choice of options in daily living.

- Providing a lifetime of continuing services to clients and their families.

- Improving living conditions for persons with disabilities.

- Presenting factual material for awareness, understanding and prevention of physical disabilities.

- Mobilizing human and financial resources to accomplish the purposes of the organization.

This year was marked with wonderful growth in our programs and an expanding presence in the community.

Enrollment in our schools was up slightly, while Early Intervention continues to be the fastest growing area of our organization. Two thousand thirty five babies and toddlers were served by LADACIN last year, up from 1,843 the year before. We are so pleased that eight more adults are living in the community, reaching 90% capacity in the two new group homes opened in Millstone last year. We also welcomed five new clients into ACCESS Unlimited, our vocational training and employment program, with hopes of ultimately finding work for them.

Children and adults are getting out and about with ten clients from ACCESS volunteering at organizations like the AMC Movie Theater in Eatontown and Jersey Shore Medical Center in Neptune. To encourage integration and understanding at an early age, our students welcomed or visited 66 local schools or organizations last year. Because illiteracy poses one of the
greatest barriers to inclusion, LADACIN evaluated and improved our curriculum. It now further complements the expanding definition of ‘literacy’, which includes tasks our students master each day.

In my position as President of the Alliance for the Betterment of Citizens with Disabilities (ABCD), I stay close to the latest updates on the state’s fee-for-service initiative, and proactively advocate on behalf of our families and our Agency.

Our Community Relations Department successfully secured several grants and welcomed Suburban Transit/Coach USA, The County Woman and Hospital for Special Surgery as new Corporate Sponsors. As the cost of care increases, government funding remains flat. Grants, sponsorships and fundraising are increasingly significant sources of revenue. Look for us to interface with the community in new ways in an effort to raise awareness.

We are grateful to local organizations like Barlo & Associates that donated professional resources valued at $15,000 to evaluate the capital needs of several LADACIN facilities through the Monmouth and Ocean Development Council’s Project Connection. Two new Board members joined us: Tino Fontes, Vice President and Senior Market Manager, Investors Bank, and Andrew Martin, Relationship Manager, Commercial Lending, OceanFirst Bank.

It is the support of the community and our loyal contributors that enables LADACIN to successfully manage the growing needs of our clients. We are committed to maintaining and expanding our vital services, and are extraordinarily grateful for our generous and kind constituents.
Annual Corporate Sponsorship Program

The Annual Corporate Sponsorship Program is a partnership between LADACIN Network and participating Corporate Sponsors to advance the needs of infants, children and adults with complex physical and developmental disabilities or delays in Monmouth and Ocean Counties. A donation of $5,000 or more entitles a sponsor to Corporate Sponsorship status and recognition at all Agency special events.
