LADACIN has had a year of growth as we continue to provide lifetime services for over 3,500 infants through seniors in 14 facilities. Our wide array of programs and services includes Early Intervention, Child Care and Preschool, Schools, Adult Day Programs, Vocational and Supported Employment Programs, Residential Services and Family Support Services. We were pleased to earn our 11th consecutive three-year accreditation from the Commission on Accreditation of Rehabilitation Facilities (CARF), an internationally recognized entity, in February, 2017. In addition, we earned our 15th consecutive “Accreditation with Distinction” from the Commission on Accreditation for Home Care (CAHC).

I was honored with the President’s Award from ASAH, a state-wide organization of private schools that provide highly specialized services to students with disabilities. To be recognized was a humbling experience, and one I could not have achieved without the help of the many hardworking staff members at LADACIN.

Support from many foundations allowed the Agency to make capital improvements, continue programs and purchase equipment that significantly enhanced the quality of life for the people we serve. Since Superstorm Sandy we have been outfitting all of our residential facilities with generators, and were able to complete that project this year. We purchased a GPS tracking system for our fleet of 67 vans, which allows us to monitor our vehicles. The Agency received therapy equipment, and three SMART Boards were secured for our Adult programs. The Child Care and Preschool Learning Together Initiative also received funding.

Thanks to the dedication of our staff, we continue to adapt to the ever-changing funding climate so there are no gaps in the critical services we provide.

We wish to acknowledge the generosity of our community supporters, grantors and volunteers. Without you we would not be able to effectively fulfill our mission. We are so grateful. Thank you.

Patricia Carlesimo
Executive Director
The Annual Corporate Sponsorship Program is a partnership between LADACIN Network and participating Corporate Sponsors to advance the needs of infants, children and adults with complex physical and developmental disabilities or delays in Monmouth and Ocean Counties. A donation of $5,000 or more entitles a sponsor to Corporate Sponsorship status and recognition at all Agency special events.
