What kind of *Legacy* will you leave?

Most people who are making an impact on the world achieve it by helping others in some way. Your support of LADACIN allows the people we serve to live a life of hope and opportunity. Your act of kindness, no matter how large or small, can create a ripple effect that can carry from person to person, brightening the many lives of individuals with disabilities and their families.

In this newsletter, you will meet some of the individuals who have supported LADACIN Network throughout the years. They have been committed to leaving a legacy of kindness and compassion to the infants, children, adults and their families whom we serve. They are passionate in their efforts to provide opportunities and possibilities to individuals with complex disabilities.

When your mission is to serve others, you will leave a legacy of giving. Support of LADACIN Network will ensure the vital programs and services we provide will continue into the future for the people who need them most.

For over 70 years the support of the community has contributed greatly to our success. Your generosity today will help ensure the more than 3,500 people we serve continue to have the resources and services they depend on. *What a wonderful legacy to leave behind.*

Your support will help LADACIN’s legacy live on.
